

Strömsholm Lecture

Guest Speaker Haydn Price DipWCF

Monday 6th February 2012 – start time 7.30pm

Wimborne Town Football Club

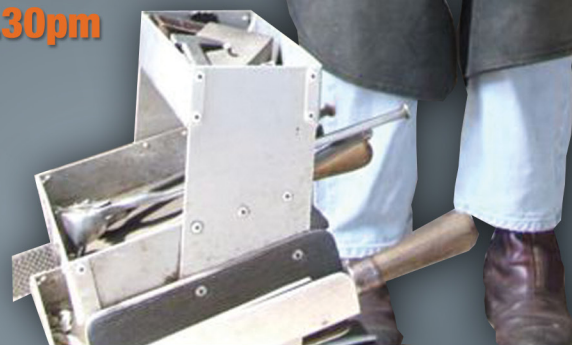

Cuthbury

Cowgrove Road

Wimborne

Dorset

BH21 4EL

Strömsholm are pleased to invite you to our 1st clinic of 2012
with guest speaker Haydn Price Dipwcf

Haydn Price is the farrier for both the British Dressage and British Show jumping Teams as well as Consultant farrier to the British Equestrian Federation.

Haydn has a unique understanding of the requirements needed for shoeing world class performance horses and will explain about the demands placed on the farrier not only from the horses, but the owners, riders and vets.

Haydn has a particular interest in shoeing in order to improve the horses stance and movement and developed the Equinalysis Gait Analysis System in order to measure the effects shoeing has on the movement of the horse.

Haydn will also share his experiences of attending both Olympics and World Championships and give some insight to the lead up to the London 2012 Olympics.

Please call Strömsholm on **01908 233909**
to book your place

Only

£10.00

which includes refreshments
